

## Special Dietary Needs Request

*(This form is to be completed by the group/church leader)*

For our guests that have special dietary needs, we will do our best to provide some alternative options at mealtimes. However, we **cannot guarantee** that food items will be free of cross contamination from foods that may contain allergens such as gluten, nuts, and/or dairy. While we will try and accommodate some common allergies, we unfortunately cannot accommodate **severe food allergies**. Please note that food preferences cannot be accommodated unless there is a health reason such as an allergy or sensitivity that would cause illness or discomfort.

We invite those with any **severe food allergies** to bring their own pre-prepared foods. Food **is not** allowed in cabins so guests may use kitchen coolers, refrigerator space, and/or microwaves **when requested 10 days in advance**. Kitchen stoves and prep areas will not be available.

**Group Leaders** please be sure your group has read and understands this Special Dietary Needs Request policy in advance of your stay. We appreciate your help in communicating this so that all guests may have the best experience possible at Table in the Wilderness.
